Bromic's FD4T1200C-NR Cold Food Displays offer a stylish display option for refrigerated delicacies, such as cakes and confectionery. The Stainless Steel body offers long lasting durability while the gentle circulation and high-humidity air allow these units maintain moisture at low temperatures ensuring that products on display taste as good as they look. The High-impact LED lighting on each shelf and the Invisible heat elements in the glass eliminates condensation and maximizes product visibility and captures attention making this the ideal showcase to tempt your customer

Description

Bromic FD4T1200C-NR Glass Cold Food Display
