Bromic VISION120 ECO 1330L LED Open Display Supermarket Fridge Bromics IARP Open Display range offers powerful performance in a plug-in package, creating attractive open displays with exceptionally accurate temperature control. Offering a great product display option for your store.

The Vision120 ECO 1330L LED Open Display has been developed in conjunction with internationally-acclaimed manufacturer IARP to offer plugin solutions that simplify the installation of self-service refrigerated retail aisles.

Accurate temperature controls allow this unit to display delicate produce despite its open front while plug-in operation eliminates prior planning approval and expensive installation

The units come with LED lighting and an air curtain - improving the energy efficiency of the units.

Castors for easy positioning Removable trays for easy cleaning Temperature range of +0 to +10°C
