SIMAG by Bromic IM0024HSC-HE Self-Contained 24kg Hollow Ice Machine

Reliability is an important factor in picking an ice machine for your business. It should cater to your exact needs whilst keeping your costs low. Bromics self-contained ice machines are built with this in mind. Just take a look at the IM0024HSC-HE Hollow Ice Machine.

With ice output of 24kgs per day, this model is perfect for medium-scale cafes, bars, or restaurants that require ice for diverse applications. Individual refrigerant fingers create pure, crystal-clear, hollow ice that is perfect for rapid cooling of liquids and beverages. Agion-treated materials maintain hygiene and keep the machine clean, making the ice safe for consumption.

Description

SIMAG by Bromic IM0024HSC-HE Self-Contained 24kg Hollow Ice Machine

- Hollow, crystal-clear ice presents the best general-purpose option
- Fast-melting cubes maximise surface area for rapid cooling
- Stainless steel construction resists corrosion
- Self Contained
