SKOPE SPIKA NG70 R290 A Full-Dice Self-Contained Ice Cube Maker

ITV SPIKA under-bench ice makers are an efficient way to incorporate an ice cube maker into a commercial kitchen or bar, without taking up additional floor space. ITV SPIKA ice makers produce pure, crystal clear ice cubes every time and uses R290 Hydrocarbon natural refrigerant for even more power efficiency and virtually zero impact on the environment

Description

SKOPE SPIKA NG70 R290 A Full-Dice Self-Contained Ice Cube Maker

- 76Kg ice cube production in 24 hours
- Produces pure and clear, solid ice cubes
- Perfectly separated and consistent in size

Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

- Choose between machine that produces full dice or half dice ice cubes
- Easy access external operational switches
- Strong solid AISI 304 stainless steel box-type frame
- Easy servicing without disassembling the whole machine
- Patented robust folding door with noise reduction system
- Front and rear ventilation system allows machine to be built-in (ventilation clearances required)
- Cleaning switch allows circulation of water with descaling product (calkin or similar)
- Tropical T class compressors suitable for use in environments up to 43°C ambient
- ITV designed motor pump, no seals to avoid deterioration
- Designed to allow easy disassembling and servicing for minimal disruption
- 2 year warranty

NOTE:

- **Installation must be carried out by a qualified plumber or refrigeration mechanic,**
- **A Watermark approved* water filter, suitable for the water type at the place of installation must be used. SKOPE can provide a water filter that protects the Ice Maker, and ensures proper function and high quality ice production. Service or repair due to absence of a suitable water filter will not be covered by SKOPE warranty. Contact SKOPE for more information.**
