SKOPE SILO SCS300 ICE Cube Storage Bin & Transport System

The SILO SCS Series offers compact ice storage bin solutions for caterers and venues that need to cover a lot of distance fast. The SCS300 Ice Cube Storage Bin offers 300kg of capacity in its bin, plus up to 112kg of capacity in its cart. The bin design benefits service delivery by helping you avoid ice spills and speeding up the transfer of ice to drinks, while the cart helps you transfer ice to different stations with less effort.

Description

SKOPE SILO SCS300 ICE Cube Storage Bin & Transport System

- 300kg ice storage capacity,
- Strong solid AISI 304 stainless steel box-type frame,

Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

- Hard sanitary polyethylene vat, resistant to blows, and scratches,
- Easy cleaning design®: seamless one-piece vat with rounded corners, avoiding possible dirty points and facilitating cleaning,
- Drainage system that collects and drives the water to the drain keeping the bin and floor clean & dry,
- Large capacity easy cart®, up to 112 kg of ice (70 kg with buckets); ergonomic, easy to move with little effort,
- Easy cart® has a braking and drainage system,
- Easy cart® is made of sanitary polyethylene, with smooth surface to facilitate cleaning. It includes a cover to prevent dirt from contaminating the ice,
- Buckets for distributing ice quickly and effortlessly can be included.

NOTE:

- **Installation must be carried out by a qualified plumber or refrigeration mechanic,**
- **A Watermark approved* water filter, suitable for the water type at the place of installation must be used. SKOPE can provide a water filter that protects the Ice Maker, and ensures proper function and high quality ice production. Service or repair due to absence of a suitable water filter will not be covered by SKOPE warranty. Contact SKOPE for more information.**
