The CDS- ELEGANTE56-GF Gelato Display Freezer will suit any Café or Restaurant the LED Lighting provides excellent visibility to your customers bringing out the colour in your product and creating an inviting product presentation. The refrigeration system utilizes a Static evaporator in the walls of the unit for consistent Freezing through out the Unit while the compressor operates on R290 refrigerant leading to high energy efficiency and a low Global Warming Potential. These attractive and sturdy units are a great way to display gelati, ice cream, sorbet or frozen yoghurt to the public.

Description

The CDS- ELEGANTE56-GF 13 Tub Gelato Display Freezer is made in Europe and designed to showcase all the colours and textures of your ice cream, gelato, sorbet, and frozen yoghurt as attractively as possible. We have engineered and crafted our range to provide your staff with convenience and ease of use, as well as maintain very precise, consistent temperatures.

- Dimension: 1676mm (W) x 862mm (D) x 1263mm (H)
