## SKOPE OD1100N High Sign Open Deck Fridge

The new OD1100N brings an update to the previous generation model, with unique Chillguard™ technology, increased product visibility, and natural refrigerant technology. There is plenty of space for brand exposure, with the illuminated sign, kick panel, and side cladding all available. Plus, the 425 product capacity, high-impact lighting, and the glass sides for maximum viewing make this ideal for impulse sale environments. High Sign and Low Sign options are available.

## Description
