IARP Magenta 408 2T Winity Range

The cabinet is dedicated to the display of wine bottles. Designed to make the different types of wine the protagonist, it ensures excellent and lasting preservation. Ideal for wine bars, bar specialist shops, hotels, and restaurants.

Spacious and attractive interior ambiance with standard wood decks and blue LED lighting. Excellent features include a recessed handle, key lock, and adjustable feet. The design combined with technology: two different temperature ranges (in 2T models) specifically for wine all digitally controlled.
