Description

Skipio SFT25-2 Reach In Upright Freezer Stainless 2 Split Doors 572L is the perfect addition to any commercial kitchen. This unit combines a refrigerator and freezer in one, making it versatile for storing both fresh and frozen items. With a cabinet dimension of W640 * D850 * H1937 (mm), this upright freezer has a generous capacity of 572L, divided equally into two compartments with 254litres of space each. The inner temperature of the refrigerator compartment ranges from -2 to 8degrees C, while the freezer can maintain temperatures between -21 to -12degrees C. This freezer is designed to work with R-404a refrigerant and is well-insulated with a combination of polyurethane and cyclopentane, both of which are CFC-free, ensuring
