The Skipio SUR9-2D-2 Undercounter 2 Drawer Fridge is an excellent choice for commercial kitchens looking to maximize their storage space without compromising on performance. With a capacity of 198 liters, this under-counter fridge features two drawers with magnetic door gaskets, providing ample space for a variety of items. The R-134a refrigerant and high density polyurethane insulation ensure energy efficiency and environmental friendliness, making it an excellent choice for any business.

## Description

The SUR9-2D-2 also features a range of convenient features designed to make it easy to use and maintain. The digital temperature control system ensures precise temperature control, while the innovative front breathing feature makes installation easy, even in tight spaces. The LED lamp illuminates the interior for added convenience, while the ergonomically designed doors with easy-grip handles make opening and closing the drawers a breeze.

- Efficient refrigeration system
