The SUF12-2D-2 1 Door 2 Drawer Undercounter Freezer by Skipio is the perfect addition to any commercial kitchen. With a generous capacity of 311 litres, this freezer is designed to provide ample space for frozen goods. The under counter drawer design allows for easy access and organisation of frozen items, while the ergonomic doors with easy grip handles make opening and closing effortless.

## Description

This freezer boasts a digital temperature control system that ensures your frozen goods are always stored at the perfect temperature. The innovative front breathing feature ensures that the freezer can be installed in tight spaces without compromising its performance. The LED lamp illuminates the interior of the freezer, making it easy to locate and access your items. The hot gas condensate system and efficient refrigeration system are designed to provide maximum cooling power while reducing energy consumption.

- Capacity: 311 Litres
