The Skipio SUF12-2D-4 Undercounter 2 Drawer Freezer is a perfect solution for commercial kitchens that require a large-capacity freezer in a small space. With a capacity of 311 liters, it has ample room to store a wide variety of frozen items. It features a digital temperature control system that ensures the temperature remains consistent, and its fan cooling type keeps the air circulating, ensuring even cooling throughout the drawers.

Description

The Skipio SUF12-2D-4 Undercounter 2 Drawer Freezer is not only efficient, but it is also environmentally friendly. Its hot gas condensate system and CFC-free insulation make it a responsible choice for any business. With four ergonomically designed drawers and an easy-grip handle, this freezer is perfect for any commercial kitchen that needs an under-counter freezer with a large capacity.

- Capacity: 311 Litres
- Under counter drawer
