The Skipio SUR12-2D-4 Undercounter Drawer Fridge is a high-quality refrigerator designed for commercial use. With a large capacity of 311 liters, this fridge features four drawers for easy access and storage. The digital temperature control system ensures that the fridge maintains a temperature range of 1°C to 8°C, providing the perfect environment to keep your food fresh.

Description

The Skipio SUR12-2D-4 Undercounter Drawer Fridge is a high-quality refrigerator designed for commercial use. With a large capacity of 311 litres, this fridge features four drawers for easy access and storage. The digital temperature control system ensures that the fridge maintains a temperature range of 1°C to 8°C, providing the perfect environment to keep your food fresh. The ergonomically designed doors with easy grip handle make opening and closing the drawers a breeze, and the magnetic door gaskets ensure that the fridge is properly sealed to keep your food fresh. The high density polyurethane insulation and CFC-free refrigerant make this fridge an eco-friendly choice. The fan cooling type and 1/4 Hp compressor provide
