The Skipio SUF12-3D-6 is a high-quality underbench drawer freezer with six spacious drawers. With an inner temperature range of -21°C to -12°C, this freezer is perfect for storing a wide range of frozen items, from meats to ice cream. The fan cooling type ensures that the temperature is distributed evenly throughout the unit, so all of your products stay fresh and frozen.

Description

The Skipio SUF12-3D-6 is a high-quality underbench drawer freezer with six spacious drawers. With an inner temperature range of -21°C to -12°C, this freezer is perfect for storing a wide range of frozen items, from meats to ice cream. The fan cooling type ensures that the temperature is distributed evenly throughout the unit, so all of your products stay fresh and frozen. The digital temperature control system makes it easy to set and adjust the temperature to suit your needs. The hot gas condensate system and efficient refrigeration system work together to maintain the perfect temperature and prevent frost buildup. The stainless steel exterior and interior with AL sides, back and door liners ensure that the unit is durable, easy to clean, and resistant to damage from daily use.
