The Skipio SUF15-3D-3 Undercounter 3 Drawer Freezer is a sleek and efficient freezer designed for commercial use. Its innovative front breathing feature allows it to be built into cabinetry without the need for extra ventilation space. The LED lamp provides bright and energy-efficient lighting, while the hot gas condensate system ensures optimal performance and efficiency.

## Description

The SUF15-3D-3 has a stainless steel exterior and interior, making it both durable and easy to clean. It features three drawers and a self-closing solid door, as well as an adjustable heavy-duty shelf, providing plenty of space for all your frozen goods. The magnetic door gaskets ensure a tight seal, while the high density polyurethane insulation keeps the contents of the freezer at the optimal temperature. The digital temperature control system is user-friendly and easy to operate, allowing you to set the freezer to the ideal temperature for your needs. The SUF15-3D-3 also features an efficient refrigeration system and uses CFC-free R-404a refrigerant, which is both eco-friendly and effective at maintaining the temperature inside the freezer. With its high-quality features and reliable performance, the Skipio SUF15-3D-3 Undercounter 3 Drawer Freezer is the perfect choice for any
