The Skipio SUR15-3D-3 Undercounter 3 Drawer Fridge is an excellent addition to any commercial kitchen or restaurant. With a compact design that allows it to be placed under a counter, this fridge provides plenty of storage space without taking up too much room. The digital temperature control system ensures that the interior temperature remains consistent, while the hot gas condensate system helps to prevent moisture buildup inside the fridge.

## Description

The Skipio SUR15-3D-3 Undercounter 3 Drawer Fridge Featuring an innovative front breathing design, this fridge can be installed against a wall or other piece of equipment without the need for additional clearance. The LED lamp provides excellent visibility inside the fridge, while the ergonomic design of the doors and easy-grip handles make it easy to access the contents. The fridge features three under counter drawers, providing ample storage space for ingredients, produce, or other perishable items.
