The Skipio SUR18-2D-6 is a high-quality undercounter drawer fridge that offers ample storage capacity with six spacious drawers. It has an inner temperature range of 1°C to 8°C, making it ideal for storing a variety of foods and drinks. The fan cooling system ensures that the temperature is evenly distributed throughout the fridge, keeping your items fresh and cool.

Description

The Skipio SUR18-2D-6 is a high-quality undercounter drawer fridge that offers ample storage capacity with six spacious drawers. It has an inner temperature range of 1°C to 8°C, making it ideal for storing a variety of foods and drinks. The fan cooling system ensures that the temperature is evenly distributed throughout the fridge, keeping your items fresh and cool. The fridge uses R-134a refrigerant and has a compressor with a 1/4 horsepower motor, providing reliable and efficient cooling. It is also equipped with magnetic door gaskets and high-density polyurethane insulation to ensure that the temperature is maintained and that your items stay fresh. The Skipio SUR18-2D-6 undercounter drawer fridge is a versatile and practical option for any commercial kitchen or foodservice establishment.
