The Skipio SUF18-3D-9 Underbench Drawer Freezer is a high-quality freezer that offers plenty of space to store frozen goods. With a capacity of 505 liters, this freezer has 9 drawers, providing ample storage space for all your frozen products. The drawers are made of high-quality stainless steel, ensuring they are durable and easy to clean.

Description

The Skipio SUF18-3D-9 Underbench Drawer Freezer is designed to maintain a temperature of -21 to -12 degrees Celsius, keeping your frozen products fresh and safe for consumption. The freezer uses R-404a refrigerant, which is eco-friendly and ensures efficient cooling. The insulation type used in the freezer is Polyurethane/Cyclopentane + CFC Free, which is environmentally friendly and ensures better insulation, resulting in lower energy consumption. The SUF18-3D-9 Underbench Drawer Freezer also features an easy-to-use digital temperature control system, which allows you to adjust the temperature to suit your requirements. The freezer is designed to be placed under a bench or counter, making it an ideal option for cafes, restaurants, or any commercial kitchen. Its compact size and ergonomic design make it easy to use and maintain, while its sleek
