The Skipio SUR18-3D-3 Underbench Drawer Fridge is a powerful and reliable unit that is designed to keep your perishable items fresh and at their optimal temperature. With a capacity of 538 liters, this unit comes with 2 doors, 2 shelves and 3 drawers to provide ample storage space. The inner temperature can be set between 1 °~ 8°C, making it ideal for storing a wide range of products including fruits, vegetables, dairy, and beverages.

Description

The Skipio SUR18-3D-3 Underbench Drawer Fridge is built to last, with a stainless steel exterior that is both durable and easy to clean. The interior of the fridge is also made of stainless steel, which is resistant to rust and corrosion, and has aluminum sides, back, and door liners. The unit also comes with ergonomically designed doors that feature easy grip handles, and magnetic door gaskets that help to maintain the temperature inside the unit. The high-density polyurethane insulation also helps to ensure that the fridge is energy efficient and keeps your electricity costs low.
