The Skipio SUR18-3D-6 is an under counter fridge with a unique design of 1 door and 6 drawers, providing ample storage space. It features a digital temperature control system that allows you to easily adjust the temperature to suit your needs. The innovative front breathing feature allows for flexible installation options and easier maintenance.

## Description

The Skipio SUR18-3D-6 is an under counter fridge with a unique design of 1 door and 6 drawers, providing ample storage space. It features a digital temperature control system that allows you to easily adjust the temperature to suit your needs. The innovative front breathing feature allows for flexible installation options and easier maintenance. This fridge also comes with an LED lamp that provides bright and energy-efficient lighting, allowing you to easily find what you need. The hot gas condensate system prevents condensation from building up on the exterior of the fridge, which makes it more hygienic and easier to clean. The efficient refrigeration system ensures that your food stays fresh and at the desired temperature.

- Inner temp: 1 °~ 8°C
