The Skipio SGM-18 Black Glass Door Merchandiser Refrigerator is a stylish and efficient way to display your products. With a capacity of 420 liters, it offers plenty of space for your items. The inner temperature can be set to between 1 and 8 degrees Celsius, ensuring that your products stay fresh and at the right temperature.

## Description

The Skipio SGM-18 Black Glass Door Merchandiser Refrigerator is a stylish and efficient way to display your products. With a capacity of 420 liters, it offers plenty of space for your items. The inner temperature can be set to between 1 and 8 degrees Celsius, ensuring that your products stay fresh and at the right temperature. The refrigerator uses R-134a refrigerant, which is a non-ozone-depleting gas that is safe for the environment. It is also energy-efficient, helping you save money on your electricity bills. The black glass door is both functional and stylish, allowing customers to easily see the products on display while also adding a sleek touch to your store or restaurant.

- Lead Time Applies
