Description

The Skipio SGM-25 Glass Door Merchandiser Refrigerator is a great option for those who need to keep products cool and easily visible to customers. With a capacity of 510 liters, this refrigerator has plenty of space for storing a variety of products. The inner temperature range of 1 ~ 8degrees C ensures that your products stay fresh and cool. Featuring one door and four shelves, this refrigerator is easy to access and organize. The glass door allows customers to easily see the products inside, while the four shelves provide ample space for storage. The fan cooling type ensures even cooling throughout the refrigerator, keeping all products at the same temperature.

- Capacity: 510 Litres
