The Skipio SGF-49 Glass Door Merchandiser Freezer is a top-quality freezer designed for commercial use. It has a large capacity of 1152 liters, providing ample space for storing frozen goods. The digital temperature control ensures precise temperature regulation, while the LED lighting interior display system allows for easy visibility of stored items.

Description

The Skipio SGF-49 Glass Door Merchandiser Freezer is a top-quality freezer designed for commercial use. It has a large capacity of 1152 litres, providing ample space for storing frozen goods. The digital temperature control ensures precise temperature regulation, while the LED lighting interior display system allows for easy visibility of stored items. The modern design of the SGF-49 includes double pane glass doors with low e-glass, which help to reduce energy consumption and maintain a consistent temperature. The efficient refrigeration system and high density polyurethane insulation ensure that the freezer maintains a consistent temperature and operates efficiently, saving energy and reducing operating costs. The SGF-49 features 2 ergonomically designed doors for easy access to the freezer's contents. Overall, the Skipio SGF-49 Glass Door Merchandiser Freezer is a reliable and efficient option for any commercial setting requiring a large capacity freezer with modern features.
