Display your cakes, pies, pastries, and other chilled treats with the SKIPIO SB1200-2RD Two Tier Cake Display. This unit features a fan cooling system that ensures even and consistent cooling throughout the cabinet, with an inner temperature range of 3°C ~ 8°C. The front heated glass helps prevent condensation and keep your treats looking fresh and appealing to customers.

Description

Display your cakes, pies, pastries, and other chilled treats with the SKIPIO SB1200-2RD Two Tier Cake Display. This unit features a fan cooling system that ensures even and consistent cooling throughout the cabinet, with an inner temperature range of 3°C ~ 8°C. The front heated glass helps prevent condensation and keep your treats looking fresh and appealing to customers. The SB1200-2RD comes with 2 doors and 2 shelves, including the base, providing ample space for showcasing your baked goods. The efficient LED lighting illuminates each shelf, ensuring that your products are well-lit and visually appealing to customers. The digital temperature control allows for precise and easy adjustments to ensure that your products are kept at the perfect temperature.
