The Skipio SGC-1800F 18 Flavours Gelato Display Case is a premium refrigeration unit designed for showcasing gelato and other frozen desserts. With a width of 1800mm, this display case offers ample space for displaying up to 18 different flavors of gelato, making it an excellent choice for larger gelato shops and ice cream parlors. The front of the unit features a large glass display, which provides customers with an unobstructed view of the products inside, making it easy for them to select their favorite flavors.

Description

The Skipio SGC-1800F 18 Flavours Gelato Display Case is built with high-quality materials and features a sturdy, durable design that is built to last. The unit features a digital temperature control system that allows you to easily set and maintain the temperature of the display case, ensuring that your gelato stays at the perfect temperature for serving. The efficient cooling system circulates cool air evenly throughout the unit, keeping your gelato fresh and flavorful. Additionally, the case features built-in LED lighting that beautifully illuminates your products, making them even more attractive to customers. The Skipio

SGC-1800F 18 Flavours Gelato Display Case is an excellent choice for businesses looking to showcase their frozen desserts in an attractive and efficient manner while providing a wide variety of flavors for their customers to choose from.
