Store those treasures and drink those spirits as they finely age with our Fagor Collection! Wine takes centre stage on restaurant tables all around the world. Its different varieties, tastes and textures have seduced so many diners that restaurant owners and professional chefs wouldn't dream of planning a menu without an appropriate selection of wines.

To meet these needs and grow your business, Fagor presents its new range of wine cellars. Experience a wine display and storage that increases the value of every bottle stored inside. The solution is based on an array of benefits.

Key Features:

- Side and central walls with double-layered glass and air chamber between them
- Swing doors that optimise space
- Ventilated refrigeration system
- Humidity control to create an optimal wine conservation environment as an option
- Independent digital thermostat for each environment
- Tray to collect defrosted water and automatic evaporation (no drain required)
- LED lighting in all perimeters, adjustable by remote control
- Decorative plinth included as standard (shelves and hooks should be requested separately)
- Glasses and door frames are heated to avoid condensations

Additional Information:

- Bottles x Shelves: 7x18
- Temperature Range: 4 °C - 18 °C
- Ambient Temperature: 40 °C / 40%
