Panasonic NE-1037 Medium-Duty Microwave

The 22-litre Panasonic microwave is reliable for quick defrosting, cooking, and heating ideal for smaller format restaurants.

With programmable memory pads and an automatic power switch, this unit automatically senses humidity released from food and calculates the perfect cook time and power to heat without drying out your food.

Now comes with 2 year of warranty, our fully trained and qualified technicians will ensure that your Panasonic product is repaired to the high standard you expect from Panasonic at your doorstep.
