Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

convenient access to temperature information, ensuring optimal storage conditions for your perishable items.

With a top-mounted configuration, this upright fridge/freezer offers easy access to the stored contents. It features two solid doors, allowing separate access to the refrigerator and freezer compartments. This design minimizes temperature fluctuations and energy loss when opening only one section. The self-cleaning condenser applied in this unit prevents dust accumulation, ensuring the longevity and efficiency of the cooling system. By automatically removing dust and debris, it reduces the need for manual cleaning and maintenance.

This refrigerator utilizes HC refrigerant (R290), which is environmentally friendly and has minimal impact on the ozone layer. The hot gas condensate system effectively prevents condensation, ensuring reliable performance and minimizing moisture-related issues.

Turbo Air - Digital Temperature Control System
2 Solid doors Upright Fridge/Freezer
Top mounted
High-Tech Monitor
Self Cleaning Condenser Applied
HC(R290) Refrigerant applied
Hot Gas Condensate System
Capacity- F 576L, R 576L
Inner Temps F -21 to -12 & R 1 to 8
Ventilated Cooling
High-Density and CFC free Polyurethane Insulation
Adjustable, Heavy Duty, PE Coated Wire Shelves
Stainless steel exterior and Interior
Digital Controller and Display
Refrigerant R-290 Amps 4.5, Power-w 600
Dimensions 1260x850x1926mm Inc Castors
Weight 152kg
220V-240v/50Hz/1, 10amp Australian Plug
4 Adjustable shelves included

Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KRF45-2H-N
Warranty	3 Years on Parts and Labour
Temperature Operating Range C	R:1°~-8° F:-21°~-12°
Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°
Refrigerant	R-290
External Dimensions (mm)	1260 mm (W) x 850 mm (D) x 1926 mm (H)
Capacity/Volume	F:576 R:576
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	600W
Door Information	Door hinged = RH
Packaged Dimensions (mm)	1306 mm (W) x 896mm (D) x 2015mm (H)

Interior Lighting	Yes
GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$6,600.00
