Introducing the Turbo Air K-Series KUF12-2-N(HC) 2 Solid Door Under Counter Freezer, a compact and efficient freezing solution designed for commercial use. With its two solid doors and left-hand side compressor, this underbench freezer is designed to fit seamlessly in tight spaces while providing ample storage capacity of 311L. The digital temperature control system, along with the high-tech monitor, ensures precise temperature adjustments and real-time monitoring for optimal freezing conditions. The front breathing system and hot gas condensate system contribute to efficient performance and prevent condensation. The high-density and CFC-free polyurethane insulation, along with the ventilated cooling, ensures consistent temperatures and excellent energy efficiency.

Description

The Turbo Air K-Series KUF12-2-N(HC) 2 Solid Door Under Counter Freezer is a compact and efficient freezing solution for commercial settings. With its sleek design and powerful features, this underbench freezer is designed to optimize storage space while maintaining optimal temperature conditions for your frozen goods.

Equipped with a digital temperature control system, this freezer allows for precise temperature adjustments to suit your specific requirements. The high-tech monitor provides convenient access to temperature information, ensuring that your frozen items are stored at the perfect temperature for maximum freshness.

Featuring two solid doors, this under counter freezer offers easy access to the contents while minimizing temperature fluctuations. The left-hand side compressor and front breathing system contribute to its space-saving design, allowing for installation under counters or in tight spaces.

With a capacity of 311 liters, this freezer provides ample storage space for a variety of frozen products. The inner temperature range of -21 to -12 degrees Celsius ensures optimal preservation of your items, keeping them at the ideal temperature to maintain their quality and taste.

Turbo Air - Digital Temperature Control System
2 Solid doors Underbench Freezer
Left hand side Compressor
Front breathing system applied
High-Tech Monitor
HC Refrigerant applied
Hot Gas Condensate System
Capacity - 311L
Inner Temps - 21 to - 12
Ventilated Cooling
High-Density and CFC free Polyurethane Insulation
Adjustable, Heavy Duty, PE Coated Wire Shelves
Stainless steel exterior and Interior
Refrigerant R-290 Amps 2.5, Power 400W
Dimensions 1200x700x855mm Inc Castors
Weight 84Kgs
220V-240v/50Hz/1, 10amp plug
2 Adjustable shelf included

Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KUF12-2-N
Warranty	3 Years on Parts and Labour
Temperature Operating Range C	-21°~-12°
Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°
Refrigerant	R-290
External Dimensions (mm)	1200 mm (W) x 700 mm (D) x 855 mm (H)
Capacity/Volume	311
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	400W
Door Information	Door hinged = LH, RH
Packaged Dimensions (mm)	1270 mm (W) x 760mm (D) x 925mm (H)
Interior Lighting	Yes

GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$3,630.00
