Introducing the Turbo Air K-Series KUF15-2-N(HC) Stainless Steel 2 Solid Door Under Counter Freezer, designed to provide efficient and reliable freezing capabilities for commercial kitchens. This underbench freezer features two solid doors, offering easy access to the spacious storage compartment. The left-hand side compressor and front breathing system ensure optimal performance and easy installation. With the digital temperature control system and high-tech monitor, you can precisely adjust and monitor the temperature to maintain ideal freezing conditions. The unit utilizes HC refrigerant and incorporates a hot gas condensate system for efficient operation. With a capacity of 425 liters, this freezer provides ample space for your frozen ingredients and products. The inner temperature range of -21 to -12 degrees Celsius guarantees optimal preservation.

Description

Introducing the Turbo Air K-Series KUF15-2-N(HC) Stainless Steel 2 Solid Door Under Counter Freezer, a versatile and reliable freezer unit designed to meet the needs of your commercial kitchen. With two solid doors, this under bench freezer offers convenient access to your frozen goods while maximizing storage space. The stainless steel exterior and interior construction of this freezer ensure durability and easy cleaning, making it suitable for busy kitchen environments. The high-density and CFC-
