Introducing the Turbo Air K-Series KUF9-1-N(HC) Stainless Steel Single Solid Door Under Counter Freezer, a compact and efficient freezer designed for commercial kitchens. With its solid door, this underbench freezer offers convenient access to its storage compartment. The left-hand side compressor, along with the front breathing system, ensures optimal performance and easy installation. Equipped with a high-tech monitor and digital temperature control system, you can easily adjust and monitor the temperature to maintain precise freezing conditions. The freezer utilizes HC refrigerant and features a hot gas condensate system for improved efficiency.

## Description

Introducing the Turbo Air K-Series KUF9-1-N(HC) Stainless Steel Single Solid Door Under Counter Freezer, a compact and efficient solution for your commercial kitchen's freezing needs. With its sleek design and durable construction, this under bench freezer is built to deliver reliable performance while saving valuable space.

Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

Equipped with a digital temperature control system and a high-tech monitor, you have precise control over the freezer's internal temperature and can easily monitor it to ensure your products are kept at their optimal freezing conditions. The left-hand side compressor and front breathing system offer convenient installation options, allowing the unit to be placed under counters with ease.

The HC refrigerant and hot gas condensate system contribute to energy efficiency and environmental friendliness. The freezer's capacity of 198 liters provides ample storage space for a variety of frozen items, while the high-density and CFC-free polyurethane insulation help maintain consistent temperatures and minimize energy consumption.

Turbo Air - Digital Temperature Control System  
 1 Solid door Underbench Freezer  
 Left hand side Compressor-Bespoke  
 Front breathing system applied  
 High-Tech Monitor  
 HC Refrigerant applied  
 Hot Gas Condensate System  
 Capacity - 198L  
 Inner Temps - 21 to - 12  
 Ventilated Cooling  
 High-Density and CFC free Polyurethane Insulation  
 Adjustable, Heavy Duty, PE Coated Wire Shelves  
 Stainless steel exterior and Interior  
 Refrigerant R-290 Amps 2.5, Power 400W  
 Dimensions 900x700x855mm Inc Castors  
 Weight 72Kgs  
 220V-240v/50Hz/1, 10amp plug  
 1 Adjustable shelf included

## Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KUF9-1-N
Warranty	3 Years on Parts and Labour
Temperature Operating Range C	-21°~-12°
Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°
Refrigerant	R-290
External Dimensions (mm)	900 mm (W) x 700 mm (D) x 855 mm (H)
Capacity/Volume	198
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	400W
Packaged Dimensions (mm)	970 mm (W) x 760mm (D) x 925mm (H)
Interior Lighting	Yes
GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$3,000.00
