Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

flavorful. Boasting four glass doors, this under bench fridge provides an unobstructed view of your stored inventory while adding a touch of modern elegance to your kitchen decor. The left-hand side compressor and front-breathing system optimize space utilization and allow for seamless integration into your kitchen layout, enhancing both efficiency and aesthetics.

The innovative Hot Gas Condensate System maintains a dry interior environment, preventing moisture accumulation and preserving the quality of your stored items. With an impressive capacity of 705 liters, this fridge offers ample space to accommodate your diverse culinary needs. The inner temperature range of 1 to 8 degrees Celsius, coupled with ventilated cooling, guarantees uniform cooling throughout the unit. Turbo Air's commitment to sustainability and efficiency is evident through the use of high-density, CFC-free polyurethane insulation, which ensures energy efficiency and eco-friendliness. The stainless steel exterior and interior not only enhance durability but also provide a sleek and professional appearance that complements any kitchen setting.

Powered by the environmentally friendly HC Refrigerant and equipped with a high-tech monitor, this fridge offers advanced monitoring and control features for your peace of mind. With dimensions of 2400x700x855mm (including castors) and a weight of 195Kgs, this unit is designed to accommodate your commercial kitchen needs. It operates on a 220V-240V/50Hz/1 power supply with a 10amp plug, and it comes with four adjustable shelves, offering versatile storage configurations to suit your specific requirements.

- Turbo Air - Digital Temperature Control System
- 4 Glass doors Underbench Fridge
- Left hand side Compressor
- Front breathing system applied
- High-Tech Monitor
