Introducing the Turbo Air K-Series KUR9-1S-N(600)(HC) Stainless Steel Single Solid Door Under Bench Refrigerator – a fusion of innovation and durability in refrigeration design. Engineered with Turbo Air's state-of-the-art Digital Temperature Control System, this refrigerator ensures precise temperature management, preserving the freshness of your stored items. Its sturdy solid door, accompanied by a left-hand side compressor and front breathing system, ensures seamless operation even in confined spaces. The integrated High-Tech Monitor provides continuous oversight, enhancing user convenience. Embracing sustainability, it features an HC Refrigerant and Hot Gas Condensate System. With a compact 149L capacity and an adjustable heavy-duty wire shelf, it caters to diverse storage requirements. The stainless steel exterior and interior, combined with high-density CFC-free polyurethane insulation, promise durability and energy-efficient cooling. Elevate your refrigeration capabilities with the Turbo Air K-Series KUR9-1S-N(600)(HC) – where advanced technology meets enduring style.

Description

Turbo Air K-Series KUR9-1S-N(600)(HC) Stainless Steel Single Solid Door Under Bench Refrigerator, a fusion of cutting-edge refrigeration technology and elegant design to elevate your kitchen experience. Engineered with Turbo Air's advanced Digital Temperature Control System, this refrigerator offers precise temperature regulation, ensuring the freshness and quality of your stored items. With its sleek stainless steel exterior and interior, this under bench refrigerator not only boasts durability but also adds a touch of modern sophistication to your culinary workspace. The single solid door provides easy access to your stored inventory, while the left-hand side compressor and front-breathing system optimize space utilization and seamlessly integrate into your kitchen layout.

Equipped with a high-tech monitor and powered by the environmentally friendly HC Refrigerant, this refrigerator delivers advanced monitoring and control features for efficient and reliable performance. The innovative Hot Gas Condensate System maintains a dry interior environment, preventing moisture buildup and extending the lifespan of your stored goods. With a capacity of 149 liters, the Turbo Air KUR9-1S-N(600)(HC) refrigerator offers ample storage space for your culinary essentials. The inner temperature range of 1 to 8 degrees Celsius, combined with ventilated cooling, ensures consistent and efficient cooling throughout the unit.

The refrigerator is equipped with an adjustable, heavy-duty, PE coated wire shelf, providing customizable storage configurations tailored to your needs. The use of high-density, CFC-free polyurethane insulation underscores Turbo Air's commitment to energy efficiency and environmental sustainability. Measuring 900x600x855mm (including castors) and weighing 61Kgs, this unit is designed for easy placement and mobility. It operates on a 220V-240V/50Hz/1 power supply with a 10amp plug, ensuring straightforward setup. One adjustable shelf is included, offering versatile storage options to accommodate your culinary requirements.

- Turbo Air - Digital Temperature Control System
- 1 Solid door Underbench Fridge
- Left hand side Compressor
- Front breathing system applied
- High-Tech Monitor
- HC Refrigerant applied
- Hot Gas Condensate System
- Capacity - 198L
- Inner Temps 1 to 8
- Ventilated Cooling
- High-Density and CFC free Polyurethane Insulation
- Adjustable, Heavy Duty, PE Coated Wire Shelves
- Stainless steel exterior and Interior
- Refrigerant R-134a Amps 1.4, Power 280W
- Dimensions 900x700x855mm Inc Castors
- Weight 72Kgs
- 220V-240v/50Hz/1, 10amp plug
- 1 Adjustable shelf included

Additional Information

Country of Manufacture	Asia
External Colour	Stainless Steel
Brand	Turbo Air
Model	KUR9-1S-N
Warranty	3 years parts & labour
Temperature Operating Range C	1°C~8°C

Temperature Display / Control	Digital control
Climate / Ambient Temperature Rating	35°C
Refrigerant	R-290
External Dimensions (mm)	900 mm (W) x 600 mm (D) x 855 mm (H)
Capacity/Volume	149
Other Details	Turbo Air Self Cleaning Condenser Upright Top Mount on castors
Power Usage	280W
Packaged Dimensions (mm)	970 mm (W) x 660 mm (D) x 925 mm (H)
GEMS & MEPS Approved	Yes
Manufacturer's Suggested Retail Price	\$2,830.00
