Williams HPR2SS Pearl - Slim Two Door Stainless Steel Upright Display Freezer

Williams Refrigeration's range of upright cabinets are manufactured to the highest standards and feature the latest in 'cool smart' technology, effective in high ambient environments.

Williams' range of refrigerated cabinets comes in a multitude of temperatures to suit any purpose including standard refrigerated cabinets ranging from the freezer, fish, meat, chilled food, combined refrigerator, and freezer to heated.

An Australian-made cabinet with a choice of two or three Glass Door models and optional glass Glass Door types. A popular and proven performer in many areas of operation. The Pearl Star has a whopping 1510 liters capacity in the three Glass Door and your choice of refrigerator or freezer.

43°C ambient rating for hard-working environments (38°C for glass Glass Door freezers)

Description

Williams HPR2SS Pearl - Slim Two Door Stainless Steel Upright Display Freezer

Glass or solid two-door upright cabinet to meet all requirements, offering excellent performance, reliability, and efficiency.
