The Fresh Refrigeration FTM-72RS High Top Mount Upright Three Door 1912L Fridge is a cutting-edge refrigeration solution designed to meet the demands of commercial kitchens and food service establishments. With a host of advanced features, this fridge ensures precise temperature control and monitoring through its digital system, guaranteeing that your perishables are always kept at the ideal temperature range of 32°C and 41°C (0°C and 5°C). Its robust construction boasts a stainless steel finish on the top, front, sides, and doors, while the back and bottom are galvanized steel for extra durability. The modern one-piece grill and PE-coated sturdy wire shelves add to its aesthetic appeal and functionality. The user-friendly design includes auto-closing doors with a pressure release device, easy-grip handles, and a magnetic door gasket for effortless cleaning or replacement. Moreover, the inclusion of a door sensor with a magnetic switch and door locks makes it a standard choice for establishments looking for reliability and efficiency in refrigeration systems.

## Description

# Fresh Refrigeration FTM-72RS High Top Mount Upright Three Door 1912L Fridge,

a powerhouse of refrigeration technology designed to meet the demands of commercial kitchens. This cutting-edge fridge boasts a host of features that make it a standout choice for any foodservice establishment. Its digital temperature control and monitoring system ensure precise temperature management, while the hot gas condensate system and automatic evaporation and defrost system guarantee efficient and hassle-free operation.

Crafted with durability in mind, the cabinet of the FTM-72RS showcases a sleek stainless steel finish on the top, front, sides, and doors, enhancing both its aesthetics and resilience. The galvanized steel finish on the back and bottom reinforces its structural integrity, while the modern one-piece grill and PE-coated wire shelves add to its robust construction. This fridge is built to withstand the rigors of a busy kitchen environment.

Maintaining optimal product freshness is a breeze with the FTM-72RS, as it can consistently hold temperatures between 32°C and 41°C (0°C and 5°C). Its user-friendly design features auto-closing doors with stoppers, easy-grip handles, and a door pressure release device for seamless access. The inclusion of a magnetic door gasket not only simplifies cleaning and replacement but also ensures a secure seal. With door sensors, magnetic switches, and locks as standard features, this fridge guarantees both safety and convenience in your kitchen operations.

## Key Features:

- Precise digital temperature control & monitoring
- Efficient hot gas condensate system
- Automatic evaporation & defrost system
- Durable stainless steel finish
