Fresh Refrigeration KTM-45RS2, a top-of-the-line upright two-door fridge with a capacious 1034-liter capacity. This fridge boasts a cutting-edge digital temperature control and monitoring system, ensuring your products stay perfectly chilled between 0°F -5°C. Its robust construction includes a stainless steel finish on the top, front, sides, and doors, with a galvanized steel finish on the back and bottom. The modern one-piece grill and PE-coated wire shelves guarantee both durability and style. The user-friendly design features auto-closing doors with stoppers, easy-grip handles, and a magnetic door gasket for effortless cleaning or replacement. Safety is paramount with a door sensor, magnetic switch, and door locks as standard features, while the interior is brilliantly lit with shielded LED lighting. Move it around effortlessly on the 4" heavy-duty casters with brakes. The Fresh Refrigeration KTM-45RS2 combines functionality and style for all your refrigeration needs.

Fresh Refrigeration KTM-45RS2 Top Mount Upright Two Door 1034L Fridge

, your ultimate solution for top-notch refrigeration needs. This upright two-door fridge boasts an impressive 1034L capacity and is equipped with a range of advanced features to keep your perishables in prime condition. With its digital temperature control and monitoring system, you can easily set and maintain the perfect temperature range between 0°F -5°C. Say goodbye to manual defrosting hassles, as the automatic evaporation and defrost system takes care of it for you.

Crafted for durability and style, the KTM-45RS2 features a stainless steel finish on its top, front, sides, and doors, complemented by a galvanized steel finish on the back and bottom. The one-piece grill design adds a modern touch while ensuring robust construction. Inside, you'll find sturdy PE-coated wire shelves and safety-shielded LED lighting for easy organization and visibility. The user-friendly design extends to the doors, which are equipped with auto-closing mechanisms, door pressure release devices, and easy-grip handles for effortless access. Cleaning or replacing the magnetic door gasket is a breeze, thanks to its easy-to-remove feature. For added security, the fridge is equipped with a door sensor with a magnetic switch and door locks, all set atop 4-inch heavy-duty casters with brakes for mobility and stability. Elevate your refrigeration game with the Fresh Refrigeration KTM-45RS2 - where convenience, durability, and performance converge.
