Fresh Refrigeration FMU-28 Single Door Megatop Sandwich Prep Table, a compact yet powerful solution for your food preparation needs. With a width of 700mm and a spacious 186L capacity, this prep table boasts advanced features to streamline your kitchen workflow. Its digital temperature control and monitoring system ensure precise temperature management, while the hot gas condensate system and automatic evaporation and defrost system keep your ingredients fresh. The insulated stainless steel covers open up to 70 degrees, preventing heat transfer and protecting your products when closed, and a locking dispenser bar secures pans in place to prevent spills. This prep table is not only efficient but also built to last, with a stainless steel finish on the top, front, sides, and doors, as well as a galvanized steel finish on the back and bottom. The enhanced airflow maintains product temperature between 0°F -5°C, and user-friendly features like auto-closing doors, sturdy handles, and a magnetic door gasket make maintenance a breeze. Elevate your kitchen performance with the Fresh Refrigeration FMU-28 Prep Table.

Description

Fresh Refrigeration FMU-28 Single Door Megatop Sandwich Prep Table

a versatile and efficient solution for your commercial kitchen needs. With a width of 700mm and a spacious 186L capacity, this prep table is designed to streamline your food preparation process. Equipped with advanced features like digital temperature control and monitoring, you can trust that your ingredients will be stored at the perfect temperature range of 0°F -5°C to ensure freshness and safety.

One standout feature of this prep table is its user-friendly design. The auto-closing doors with sturdy, easy-grip handles make accessing your ingredients effortless, while the magnetic door gasket provides a convenient, easy-to-remove feature for cleaning or replacement. Additionally, the 70-degree-open and insulated stainless steel covers not only eliminate heat transfer but also offer product protection when closed. The locking dispenser bar ensures that pans stay securely in place, preventing spills. Crafted with a strong and durable cabinet finish, featuring stainless steel on the top, front, sides, and doors, as well as galvanized steel on the back and bottom, the Fresh Refrigeration FMU-28 is built to withstand the demands of a busy kitchen. Elevate your food preparation process with this reliable and efficient salad and sandwich prep table. **Note: Special order product: 4-6 weeks**
