Fresh Refrigeration FST-48 Slide Top Double Door Prep Table, a versatile 1227mm wide, 346L capacity unit designed for culinary excellence. Equipped with a digital temperature monitor, hot gas condensate system, and automatic evaporation & defrost system, it ensures precise temperature control and minimal maintenance. The clear-looking Polycarbonate slide top not only provides extra protection and insulation but also locks in place to prevent product spills. With a strong and durable stainless steel finish on the top, front, sides, and doors, along with a galvanized steel back and bottom, this prep table is built to withstand the rigors of a busy kitchen. The enhanced airflow maintains product temperature at a crisp 32°F~41°F (0°C~5°C), while the user-friendly auto-closing doors with sturdy, easy-grip handles and magnetic door gaskets make cleaning and replacement a breeze. Elevate your kitchen with the Fresh Refrigeration FST-48, where performance meets convenience.

Description

Fresh Refrigeration FST-48 Slide Top Double Door Prep Table

a kitchen essential that brings efficiency and convenience to your food preparation needs. This 1227mm wide, 346L capacity prep table boasts an array of features designed to streamline your workflow. With a digital temperature monitor, hot gas condensate system, and automatic evaporation & defrost system, you can trust that your ingredients will be stored at the perfect temperature and humidity levels.

The clear-looking Polycarbonate-made slide top not only provides extra protection and insulation but also includes a locking dispenser bar to secure pans in place and prevent product spills. This prep table's strength and durability are evident in its stainless steel finish on the top, front, sides, and doors, along with a galvanized steel finish on the back and bottom. The enhanced airflow system maintains a product temperature of 32°F~41°F (0°C~5°C), ensuring your ingredients remain fresh. User-friendly features like auto-closing doors, sturdy and easy-grip handles, and a magnetic door gasket for easy cleaning or replacement make the Fresh Refrigeration FST-48 a must-have for any professional kitchen. Elevate your food prep game with this dependable and efficient prep table. **Note: Special order product: 4-6 weeks**

Key Features:

- Digital Temperature Monitoring: Keeps track of temperature for precise control.
- Hot Gas Condensate System: Efficiently manages condensation.
- Automatic Evaporation & Defrost System: Ensures hassle-free maintenance.
- Clear Polycarbonate Slide Top: Provides added insulation and visibility.
- Secure Dispenser Bar: Prevents product spills when locked.
- Stainless Steel Finish: Top, front, sides, and doors for durability and aesthetics.
- Galvanized Steel Finish: Back and bottom for corrosion resistance.
