Fresh Refrigeration FPT-67 Two Door 1700mm Wide Pizza Prep Table, a 572L powerhouse designed to elevate your kitchen's efficiency. With digital temperature control and monitoring, you can trust this prep table to maintain your ingredients at the perfect temperature range of 32°F~41°F (0°C~5°C). Its robust features include a hot gas condensate system, automatic evaporation and defrost system, and 70-degree-open insulated stainless steel covers that ensure your ingredients stay fresh and protected. The dispenser bar locking mechanism secures pans in place, preventing messy spills. Crafted with a stainless steel finish on the top, front, sides, and doors, and galvanized steel on the back and bottom, this prep table combines durability with a sleek design. Its user-friendly auto-closing doors, easy-grip handles, and magnetic door gaskets make operation and maintenance a breeze. Elevate your kitchen with the Fresh Refrigeration FPT-67 and experience a new level of culinary convenience./p>

# Fresh Refrigeration FPT-67 Two Door 1700mm Wide Pizza Prep Table, 572L

your ultimate solution for efficient pizza preparation and storage. This state-of-the-art pizza prep table is packed with features to make your kitchen operations smoother and more convenient. With its digital temperature control and monitor, you can trust that your ingredients are stored at the perfect temperature, ensuring the freshness and quality of your pizza toppings. The hot gas condensate system and automatic evaporation and defrost system keep the unit running efficiently, while the insulated stainless steel covers, which open up to 70 degrees, not only eliminate heat transfer but also protect your products when closed. Plus, the dispenser bar comes with a locking mechanism to secure the pans and prevent messy spills.

Crafted for long-lasting performance, the FPT-67 boasts a strong and durable cabinet finish, with stainless steel on the top, front, sides, and doors, and galvanized steel on the back and bottom. This robust construction ensures that your pizza prep table can withstand the demands of a busy kitchen. When it comes to maintaining the ideal temperature for your ingredients, enhanced airflow inside the unit keeps product temperatures consistently between 32°F~41°F (0°C~5°C), so you can focus on creating the perfect pizza. The user-friendly design extends to the auto-closing doors, sturdy and easy-grip handles, and doors that open effortlessly. The magnetic door gasket not only helps maintain the temperature but also provides an easy-to-remove feature for cleaning or replacement, ensuring your prep table stays in top condition. Elevate your pizza-making game with the Fresh Refrigeration FPT-67 Two Door Pizza Prep Table – the professional choice for pizza perfection.

## Key Features:
