Fresh Refrigeration FDU-1800, a 6-drawer marvel designed to elevate your commercial refrigeration needs. With a spacious 489L capacity, this underbench fridge boasts a plethora of features for precision and durability. Its digital temperature control and monitoring ensure your products are stored between 32°F/41°F (0°C/5°C), while the hot gas condensate and automatic evaporation/defrost systems guarantee optimal performance. Crafted with a strong and stylish stainless steel finish on the top, front, sides, and doors, and reinforced by a galvanized steel back and bottom, it exudes both modern aesthetics and resilience. Inside, stainless steel telescoping drawer slides with roller-bearing wheels support drawers that can handle up to 88 pounds (40kg) each. For a seamless blend of functionality and sophistication, the Fresh Refrigeration FDU-1800 is your ultimate choice.

Description
