Fresh Refrigeration FOD-48VG Open Display Fridge, boasting a capacious 756L capacity. This refrigeration system not only keeps your products fresh but also prioritizes energy efficiency with its energy-saving night curtains and hot gas condensate system. The cabinet's robust build features clean white-coated steel interior walls and shelves, while its modern one-piece grill and back-coated exterior exude durability. With enhanced airflow maintaining temperatures between 32°F/41°F (0°C/5°C), it thrives in environments up to 75°F (24°C) and 55% relative humidity. Its open front design ensures easy access and a stunning product display, complemented by LED lighting and a transparent glass sidewall, making it a perfect choice for showcasing your merchandise.

Description

Fresh Refrigeration FOD-48VG Open Display Fridge

, a cutting-edge refrigeration solution designed to elevate your business. With a generous capacity of 756 litres, this fridge is built to meet the demands of busy establishments while ensuring energy efficiency. It features energy-saving night curtains as standard, helping maintain the cabinet's temperature while conserving energy. The hot gas condensate system and automatic evaporation & defrost system make maintenance a breeze.

The FOD-48VG boasts a strong and durable cabinet finish with clean-looking white coated steel interior walls and deck, ensuring longevity and a sleek appearance. The white coated steel shelves and modern one-piece grill further enhance its durability. This fridge operates flawlessly within environments where temperature and humidity do not exceed 75°F (24°C) and 55% relative humidity, keeping your products fresh between 32°F-41°F (0°C-5°C). Its open front design allows for convenient access to products, speedy service, and an attractive display. The LED sign panel and horizontal and vertical recessed energy-saving LED lights enhance the visual appeal, while the transparent glass sidewall adds an extra dimension to your merchandise presentation. Elevate your business with the Fresh Refrigeration FOD-48VG, where functionality meets attractive merchandising.
