Husmann Panasonic SUR-1861HP(AU) Three Door Under Bench Chiller, a versatile solution designed for professional environments such as restaurants, bars, hotels, clubs, and high-volume food preparation areas. With a spacious 377L capacity and three doors, this Panasonic under bench chiller offers ample storage for perishable items. Its pillarless design and forced evaporation system ensure optimal preservation of flavor, nutrients, and texture, while the heat defrosting feature enhances performance. The pillarless design facilitates smooth access and effective space utilization, accommodating large items effortlessly. Equipped with a forced evaporation system, it maintains consistent temperatures throughout. Operating on a single-phase 220-240V model, installation is hassle-free. Choose from slimline or large capacity models to suit your specific needs. Elevate your food storage capabilities with the Husmann Panasonic SUR-1861HP(AU) Three Door Under Bench Chiller, delivering reliability and efficiency in professional kitchen environments.
