Saltas MDS2500 4 Self-closing Multideck Fridge

The Saltas MDS2500 Multideck supermarket fridges are sleek and perfect for airconditioned environments, service stations, independent supermarkets, and more. These fridges display various products such as meat, fruits, vegetables, dairy products, and drinks. What's unique about these fridges is that they come equipped with doors, making them more energy efficient than the current open displays in supermarkets. They're worth considering for anyone looking to upgrade their refrigeration options.

Description
