Saltas NDA1250 Double Door Fridge

The Saltas NDA1250 Double Glass Door Fridge is a premium choice for commercial food and beverage storage, catering to diverse businesses like kiosks, cafes, bars, and restaurants. Its double-glazed tempered glass door, coupled with internal LED lighting, offers an appealing display. With a sleek black powder-coated body and a bottom-mounted refrigeration unit, this fridge is designed to blend seamlessly into any setting. It operates autonomously with a self-contained refrigeration system, integrated drainage, and no need for external plumbing. The inclusion of a fan cooling system, automatic defrost, and self-closing doors ensures efficient and convenient refrigeration in high-traffic commercial environments.
