Commercial Fridge and Freezer Sales Australia. All product images are provided for illustration purposes only. All specifications are subject to manufacturer changes without notice, so please check on the manufacturer's website for current product data.

- Door Switch - Stops the fan when the door opens and reduces temperature fluctuations.
- Castors - Large castors make moving the refrigerator easier,
- Coated Wire Shelves - Open wire design to improve air circulation around the product,
- LED lighting - Offers long-life operation and reduces heat load inside the cabinet,
- Cyclic defrost - The fan-forced evaporator within the unit improves temperature uniformity and is automatically defrosted during an off cycle,
- Remote ALarms Contacts (BMS) - This feature is primarily used by facilities that are not staffed 24 hours a day. The normally closed set of contacts will open if there is a high-temperature, low-temperature alarm, or power failure. Most often these alarm contacts can be hooked into the existing alarm system within the facility making it very cost-effective.

Additional Information

Country of Manufacture	Australia
External Colour	White
Brand	Pinnacle
Model	PBMR-P-630-1-GD
Warranty	24 Months Parts and Labour
Temperature Operating Range C	+2°C to +4°C
Temperature Display / Control	Digital
Climate / Ambient Temperature Rating	32°C
Refrigerant	R290
External Dimensions (mm)	790mm (W) 825mm (D) X 1965mm (H)
Leg / Caster information	Castor
Power Information	240 V / 50 Hz
Door Information	Triple Glazed Glass Insert
Interior Lighting	LED
No. of Shelves Included	5
